Red Emperor Management Team

Management requests that patrons with food/allergen intolerance or special dietary requirements to please inform us prior to ordering. We will endeavour to accommodate where possible and take every step necessary to minimise cross-contamination of allergens. However, due to the nature of restaurant meal preparation, Red Emperor is unable to guarantee the absence of allergens in menu items.

MSG is not used in our food preparation. Presence of this substance in commercial sauces used is sometimes unavoidable. Thank you.
